Uncovering the Antarctic carbon cycle  
International crop diversity fund launched  
Involving local people in biodiversity conservation  
Composting gets green light in Dhaka

---

## 513 Reviews

Invasive plants in wildland ecosystems: merging the study of invasion processes with management needs  
*CM D'Antonio, NE Jackson, CC Horvitz, R Hedberg* 513

Carbon cycling in soil  
*CA Johnston, P Groffman, DD Breshears, ZG Cardon, W Currie, W Emanuel, J Gaudinski, RB Jackson, K Lajtha, K Nadelhoffer, D Nelson Jr, WM Post, G Retallack, and L Wielopolski* 522

A comparison-shopper's guide to connectivity metrics  
*JM Calabrese and WF Fagan* 529

Divided culture: integrating agriculture and conservation biology  
*JE Banks* 537

---

## 546 Pathways to Scientific Teaching

Ecological controversy: analysis to synthesis  
*KS Williams, D Ebert-May, D Luckie, and J Hodder*

---

## 548 Laws of Nature

Whither mercury  
*DF Rohrman*

---

## 549 Websight

Keeping up with a changing planet  
*DR Taub, MD Garcia, and RK Marfurt*

---

## 550 Frontiers Trading Post

Products, services, academic programs and courses, employment opportunities, awards, announcements, conferences, and meetings

---

## 553 Index 2004

---

## 560 Finishing Lines

The road to the hydrogen highway  
*K Ellison*

**Cover picture:** Farmers inspecting their crops in Lancaster County, PA. Agronomists and conservation biologists may find more common ground in the future.
